A wave of change

Anybody who has come through camp remembers Randy's incredible role as camp director: from everyday camp management to important talks on his porch, spinning the wheel of submersion to teaching the kids the importance of banquet. From the bottom of our hearts, we want to thank him for his years with us at camp, and for his continued role as executive director.

On that note, we welcome with excitement our beloved Katie as the new CAB summer director! Watching her grow year after year at camp has been amazing; CAB is truly blessed to have her take on the role of summer director this upcoming summer.

Improvements on the horizon

We just love to see our camp grow! And part of that growth is reflected in new and improved infrastructures coming our way. The highlights? A brand-new cabin to be added on camp grounds, new tin roofs, a new dock on the way, dam repairs and the relocation of our beloved cabin 4, freeing up space for an extension to the kitchen! We thank you deeply for your time and donations. Donations are always welcome and much needed and are tax deductible; tax receipts will be issued. Once again, a great big thanks for your generosity!

The number one rule at camp is...

... flexibility! An oldie but a goodie, one of the many things we learn when we are trained as staff at CAB. Camp spirit is high after an amazing year post-pandemic, with so many new projects in store. Ready for camp? Check out our summer 2023 schedule on our website and please see the 2023 rates in the registration form. Interested in joining the team? Staff applications are officially open; please contact us at cabqc@yahoo.ca. See you soon!
