WINTER 2024 NEWSLETTER

New Kitchen Coming Right Up!

CAB is thrilled to share the exciting developments in our ongoing projects. The much-anticipated new and improved kitchen is on the horizon. The preparation of the location is scheduled for November 2023, with the foundation work set for Spring/Summer 2024. Framing will take place during Summer/Fall 2024, and outfitting is planned for Winter/Spring 2025.

This ambitious project is a testament to the collective efforts and generosity of our supporters. We invite you to join us in making this dream a reality as we continue to grow and enhance the camp experience for everyone.

Rain, Rain, Go Away: Overcoming Challenges with Spirit

Last summer, CAB faced the unexpected challenge of non-stop rain, turning it into a unique adventure! Amidst the downpours, we conducted water tests to ensure our lake remained top-notch, and our adaptability shone as we reimagined activities. Far from dampening spirits, the rain sparked a wave of creativity, leading to impromptu water games and laughter echoing through the camp grounds.
