## Welcome back to camp!

We're thrilled to announce that Katie will be returning as our Summer Camp Director for another fantastic season at Camp d'action biblique! With open arms, we welcome new campers and staff members, eagerly anticipating the renewal of old friendships and the creation of new ones.

We can't wait to kick off the summer with our Open House on Saturday, July 6th at 2pm! Come join us!

## Exciting Summer Program: Linked by LOVE

This summer, our program theme is "Linked by LOVE." Love, a divine gift from God, manifests itself in various relationships that weave in and out of our lives. Whether in the embrace of family, the warmth of friendship, or the grace of forgiveness, we see God's love permeating every aspect of our existence. As we embark on this journey of faith, we celebrate the connections that bind us together, teaching us about commitment, intimacy, grace, and faith. Let's give thanks for the love that links us all!

## Thank you for your continued support!

We extend our heartfelt gratitude to each and every one of you who has contributed to the success of Camp d'action biblique. Whether through your time, donations, sending potential campers or staff our way, or prayers, your support sustains us and enables us to fulfill our mission. As we embark on another exciting season, we carry your kindness and generosity in our hearts. Thank you for being an integral part of our camp family!
